Subject: Cleanup could hurt local jobs

I want the river cleanup but I worry it will be too expensive.

First, let me say that I strongly support a cleanup of the Willamette River. However, I also don't think that our local businesses and families can afford to pay huge bills for the cleanup. The EPA should make sure the cost to implement the plan is reasonable.

Our harbor is a big part of our economy. Please pick a plan that is good for our workers.

Sincerely,
